

GREATER SUDBURY UTILITIES

has an opening for the following position

TEMPORARY POWERLINE ELECTRICIAN “A” (UP TO 1 YEAR)

Greater Sudbury Utilities Inc. (GSU) is a diversified, community-owned corporation focused on excellence, innovation, and growth. The GSU group of companies provides leadership in energy distribution, alternative generation, water heater rental products, and leading-edge telecommunications technologies and services.

GSU requires a Temporary Powerline Electrician “A”. The Powerline Electrician will construct, operate and maintain the overhead and underground electrical distribution systems within GSU’s service area stationed from our 500 Regent St, Sudbury location.

The successful applicant must possess the following qualifications:

- Journeyman Powerline Technician Certification licensed to work in Ontario
- Grade 12 Secondary School Diploma
- Class “ARZ” Driver’s License is an asset
- Knowledge of E&USA Safety Rules, Occupational Health & Safety Act, Utility Work Protection Code and all other applicable legislation
- Experience in all aspects of electrical utility distribution work, overhead or underground, on system potentials up to and including 44kV.
- This is a temporary position for a duration of up to one year

Interested applicants are invited to submit a detailed resume
by **April 1, 2025** no later than 4:30 p.m., in confidence to:

jobposting@gsuinc.ca

GSU is an equal opportunity employer. We thank all applicants for their interest in our organization, however, only those applicants selected for an interview will be contacted.

If you are selected to participate in the recruitment process for the position to which you have applied and require a disability-related accommodation, please notify the Human Resources Department.
