

## **GREATER SUDBURY UTILITIES**

has an opening for the following position:

### **SUBSTATION ELECTRICIAN 'A'**

Greater Sudbury Utilities Inc. (GSU) is a diversified, community-owned corporation focused on excellence, innovation, and growth. The GSU group of companies provides leadership in energy distribution, alternative generation, water heater rental products, and leading-edge telecommunications technologies and services.

Under the direction of the Technical Services Supervisor, the successful candidate must be experienced in all types of work related to the construction, operation, and maintenance of municipal substation equipment, SCADA systems and underground distribution systems of all classes and voltages.

The successful applicant will have the following:

- Must have successfully completed the Substation Electrician Certificate
- Graduation at the community college level in electrical or instrumentation
- 309 A Electrician - Construction and Maintenance License
- Knowledge of E&USA Safety Rules, Occupational Health & Safety Act, Utility Work Protection Code and all other applicable legislation
- Working knowledge of a Utility's distribution system would be an asset
- Valid class G driver's license as job duties require frequent field work.

Interested persons must apply in writing by **Friday, May 9, 2025**, giving full details of education and experience to:
