About the Opportunity

Greater Sudbury Hydro Inc. requires an Electrical System Operator. The System Operator will monitor SCADA systems and respond to distribution system events by analyzing data and directing field crews to ensure safety of personnel, safeguard distribution system equipment, minimize the duration of system disturbances, and maximize system integrity.

Seeking the following qualifications:

- Requires a Diploma from a Community College in Electrical Power Systems or equivalent experience or formal technical education.
- Successful completion of a recognized "Operator's" training course including the required apprenticeship hours and be in possession of a recognized Operator's certificate.
- The proficiency and technical ability to use applicable computer applications and software including SCADA/OMS and GIS.
- Possession of a Class "G" driver's license or one of a higher classification.
- Excellent communication and inter-personal skills.
- Ability to work calmly and competently under the stress of power outages.

The successful applicant will be required to work rotating shifts including weekends and holidays.

Interested applicants are invited to submit a detailed resume until **Friday August 21st**, no later than 4:30 p.m., in confidence to:

jobposting@gsuinc.ca

GSU is an equal opportunity employer and is committed to providing a recruitment process that respects the dignity and independence of all candidates. We thank all applicants for their interest in our organization; however, only those applicants selected for an interview will be contacted. Accommodation is available for applicants with disabilities. Should you be contacted by GSU, please advise if you require an accommodation.
